

**The vision of the school:**

## **A place to shine ...**

*Let light shine out of darkness and God's light shine in our hearts*

*2 Corinthians ch4, v6*

We are an inclusive Church of England primary school, acknowledging the rich, cultural diversity of our community.

Our ethos is based on the Christian strengths that we all need to lead a good and purposeful life.

We recognise that all of our children have immeasurable potential and that it is our responsibility to ensure they are given every opportunity to flourish as successful individuals.

We will endeavour to achieve this by providing an environment where all children can demonstrate a love of learning, a love of life – a place for them to thrive and shine within a Christian setting.

The Christian values of  
**Love, Endurance, Hope, Forgiveness and  
Peace**

underpin and guide all aspects of school life.

Using language written by our children, we have five statements that help us live out these values in our daily lives:
